I would like to start by once again welcoming all of our Interior Logging Association Members, delegates and friends back for the 68th ILA AGM and Convention! We are so excited to be able to once again run this amazing event, coupled with some great networking opportunities!

This years event will once again feature inside and outside displays, located together on the Powwow Grounds. As always, all displays are open to the General Public and **NO ALCOHOL** will be permitted on grounds. It is important to note that speed zones are in effect on school days.

Once again at this years show we will be offering many opportunities for networking events and gatherings, including our Meet and Greet, Breakfast, Luncheon, and Dinner and Dance events. We also look forward to the returning Simulator Tree Falling Competition, and our 3rd Annual Big Truck Show and Shine!

We are also pleased to welcome back the Interior Safety Conference facilitated by the BC Forest Safety Council as part of our event. We ask that you please register directly with them, the information is included in the Weekend Agenda panel of this pamphlet.

For all ILA Members, we ask that you please plan to attend our Annual General Meeting on Friday, May 1st, 2026 from 8:30am to 10:00am at the Coast Kamloops Hotel.

On behalf of the Interior Logging Association Board of Directors and our Staff, I would like to thank all of the Co-Sponsors and Suppliers' for their continued participation in our event year after year. We are very happy to be celebrating an incredible 68 years!

Last but not least, please know that we appreciate your support and attendance at this years' event. We look forward to seeing all of you in Kamloops!

Yours Truly,

Tim Menning

Tim Menning, ILA Chairperson

THURSDAY, APRIL 30TH, 2026
