REGISTRATION FORMS FOR EXHIBITORS AND TICKETS 10

EVENT LOCATIONS, HOTELS AND OTHER INFORMATION 12

We are very excited to announce that the Interior Logging Association 64th Annual AGM and Trade Show is back again after a 2 year hiatus due to the COVID-19 pandemic. The show will look a little different this year due to the COVID protocols that were in place during planning, but we will still be able to have a great event!

This year we will be welcoming back all of our vendors to the [Kamloops Powwow Grounds](#) with both outside and inside displays, and we even have some limited space remaining for new vendors. If you would like to attend as a vendor, please fill out the form on [page 10](#) of the newsletter. This is an excellent opportunity for everyone to display their products, come and see what's new, reconnect with vendors, suppliers, and each other.

Our AGM will be in person for the first time in two years, and we are looking forward to seeing some familiar faces in attendance again. It will be held on Friday, May 13th at 8:30am at the [Coast Hotel Kamloops](#) and we invite and encourage our ILA Members to be in attendance as we begin another year together.

We are also pleased to announce that our guest speaker at our Luncheon this year will be the Honourable Katrine Conroy, Minister of Forests, Lands, Natural resource Operations and Rural Development. The luncheon will be on Friday May 13th, 2022 from 11:30am to 1:30pm and will be a cost of \$65 per person. Spaces are selling quickly for this event, so please fill out and return the form on [page 10](#) if you would like to attend.

For all the details of the weekend agenda, please click [here](#). For a direct link to both forms mentioned above click [here](#).

We want to sincerely thank all of the [sponsors](#), [vendors](#), members and individuals who have contributed to this show over the last 64 years. Without your dedication and continued support of the Interior Logging Association and the industry as a whole, events like this would not continue to be possible or feasible.

Happy Spring to all of you, we look forward to seeing you all in just a few weeks!

Regards,

Todd Chamberlain, RFT

General Manager, Interior Logging Association

EMBRACING A SUSTAINABLE BRAND NEW DAY FOR TIMBER HARVESTING

ABOUT OUR LUNCHEON SPEAKER, HONOURABLE KATRINE CONROY
MINISTER OF FORESTS, LANDS, NATURAL RESOURCE OPERATIONS AND RURAL DEVELOPMENT

On Friday May 13th, 2022 at 11:30am we will be holding our Annual Luncheon at the Coast Kamloops Hotel as part of the 64th Annual AGM and Trade Show.

This year we are very pleased to announce that our guest speaker is the Honourable Katrine Conroy - Minister of Forests, Lands, Natural Resource Operations and Rural Development. This will be your opportunity to meet in person and hear first hand the developments in the forestry industry.

A little about our guest speaker, Minister Conroy:

Katrine Conroy was first elected as the MLA for

Kootenay West in May 2009 and has represented the West Kootenays since 2005.

Katrine previously served as the Minister of Children and Family Development and worked to make life better for families across the Province.

Katrine had a varied career before becoming an MLA. She was one of B.C.'s first female power engineers and worked as an early childhood educator, administrator, college instructor, and a small business person.

Katrine has worked and volunteered in her community as the executive director of Kootenay Family Place, an instructor at Selkirk College; co-chair of the Castlegar and District Social Planning

Council, treasurer of the Regional District of Central Kootenay Community Futures Board and founding board member of the Community Social Services Employers Association.

Katrine lives in Pass Creek on a ranch breeding prize-winning Polled Hereford cattle. She has four children and nine grandchildren.

The cost for this event is \$65 per person and includes lunch. You can find a digital copy of the registration form attached to this newsletter by clicking [HERE](#), as well as in the discussion section of our Facebook Event.

Don't delay on registering for this event! Spaces are limited and typically sell out fast!

If you require more information, please contact us at info@interiorlogging.org or call us at (250) 503-2199.

MUSIC IN THE ARBOR DURING THE SHOW SPONSORED BY TOLKO

PERFORMED BY HENRY SMALL & FRIENDS

There will be music at the show this year according to the ILA General Manager Todd Chamberlain!

'We are very pleased to announce that there will be music in the arbor this year during the show being sponsored by Tolko. We are very excited to welcome the band Henry Small & Friends for some live entertainment to complement the atmosphere at this year's AGM and Trade Show.'

The band will be playing live on Friday afternoon from 2pm–4pm and on Saturday from 12pm to 2pm.

About Henry Small:

Henry Small singer, songwriter, composer, multi-instrumentalist and radio personality. In a career spanning more than 40 years, Small has been a member of three rock bands: [Prism](#), [Scrubbaloe Caine](#), and Small Wonder.

With Prism, Small enjoyed great success and recognition in the early 1980s. His first [studio album](#) with the band was [Small Change](#), released in 1981. It was the band's most commercially successful studio album on the *Billboard*

200, being their first and only album to make the Top 100. The lead single, "[Don't Let Him Know](#)", co-written by [Jim Vallance](#) with [Bryan Adams](#), became Prism's first and only Top 40 hit in the US. It went on to peak at number one on the *Billboard* Mainstream Rock Tracks chart in 1982, and stayed in the charts for just over four months. Their follow-up album, [Beat Street](#), released in 1983, however, was more of a solo album by Small than a Prism album as it features no founding members of the band and relied heavily on session musicians. After Prism broke up in 1984, Small worked with [the Who's](#) bass guitarist [John Entwistle](#), singing the lead vocals on his sixth solo album

[The Rock](#) which was released ten years after it was first recorded, in 1996. He has also worked with [Eddie Money](#), [Doug Cox](#), and [Richie Zito](#).

Small pursued a solo career and released his debut album *Time* in 2002. He also worked as a morning radio personality at [CIFM-FM](#) in [Kamloops](#), British Columbia, but is now retired.

Check out a preview of his music by clicking [HERE](#) or head to his website:

CHAIRPERSON'S NOTE FOR THE SHOW

SUBMITTED BY: RON VOLANKSY

I would like to start by welcoming all of our Interior Logging Association Members, delegates and friends back for the 64th Annual ILA AGM and Trade Show! We are so happy that we can once again run this amazing event, even though it will look a little different

from years past due to the ongoing COVID-19 restrictions.

This years event will once again feature inside and outside displays, located together on the Powwow Grounds. As always, all displays are open to the General Public and **NO ALCOHOL** will be permitted on grounds. It is important to note that speed zones are in effect on school days.

In years past there have been many opportunities for networking events and gatherings. However at the time of planning this years

event, COVID restrictions were still in effect and concerns remain that they will not be lifted prior to the show. Therefore, we have made the responsible decision to forego many of these events for this year.

For all ILA Members, please plan to attend our Annual General Meeting on Friday, May 13th, 2022 from 8:30am to 10:00am at the Coast Kamloops Hotel.

On behalf of the Interior Logging Association Board of Directors and our Staff, I would like to thank all of the Co-Sponsors and Suppliers'

for their continued participation in our event year after year. While we did take a 2 year hiatus, we are very happy to back once again!

Last but not least, please know that we appreciate your support and attendance at this years' event. We look forward to seeing all of you in Kamloops!

Yours Truly,

Ron Volansky

Forestry is British Columbia's founding industry and logging is its lifeblood.

The Interior Logging Association knows the importance of timber harvesting to BC's economy and has been a strong and unifying voice for its members since 1958.

The strength of the Interior Logging Association lies in the commitment of our members to work together to secure a thriving industry that supports our local communities and economy—one that embraces a sustainable brand new day for timber harvesting.
